KEY

AE	A&E Facility Design Services	DF	Direct Filtration for Potable Water Supplies
HP	Hydraulics & Piping Systems	EC	Enhanced Coagulation for Potable Water Supplies
MS	Membrane Systems Installations	DW	Direct Wastewater or Tertiary Filtration
BC	Basic Construction Installation	WB	Wastewater Bioreactor
MD	Membrane Systems Design	FC	Food Processing Waste Recoveries
RC	Related Chemical Systems	DS	Desalination Systems
SC	SCADA/Control System Design		
AP	Auxiliary Power & Energy	PO	Polyamide
WQ	Water Quality Analytical Equipment/Sys	PP	Polypropylene
WL	Water Quality Lab & Certification Svcs	PT	Polytetrafluoroethylene
WF	Water Facility Operating Services	PC	Polycarbonate
		PS	Polysulfone
		PV	Polyvinylidene fluoride
